Principal Message

Welcome back to school for the 2011-2012 school year. I hope that you all had a restful and relaxing summer. I am excited to be serving as middle school principal this year and look forward to experiencing new things to learn, ideas to try, new journeys to explore, as well as a sense of renewal of relationship and purpose with all of you.

I believe that it takes a community to raise and educate a child; therefore as a community leader I will strive to cultivate a culture of trust that unites our learning community in achieving our school's mission.

We are counting on you to become an integral member of our school community. Education is a partnership that cannot occur without the support of every staff member, the involvement of every parent, and the commitment of every student. I would like to invite you to our first Parent Advisory Council Meeting on Tuesday, August 23, 2011 at 5:30 p.m. in the LHS Lecture Hall.
