

# Loving Elementary School

Box 98  
Loving, NM 88256  
John D. Cook Principal

## Loving Title I

- At Loving Elementary School, we enjoy many services because of our qualification as a Title I school.
- Title I eligibility is based on the number of students who receive free or reduced price lunches.
- Title I allows us to have certified reading and math specialists and educational assistants who provide supplemental literacy instruction for individual or small groups of educationally at-risk students. Instruction typically occurs in 20–90 minute sessions through an in-class model or a lab setting. Many teachers incorporate the use of computer-assisted instruction as part of their overall program.
- Title I Parent meetings are held each semester. All Parents and community members are welcome. Notices will be sent home with your child.
- Address any questions to ...
